NEWSLETTER NO. 8 - 6th June 2018

Kia ora tatou, hello everyone,

Week 6 and the time is upon us for our annual hosting of cross country. There is no doubt that these last weeks of Term 2 are going to busy!

School Cross Country

The afternoon air on Friday 1st June was filled with enthusiasm, perseverance and satisfaction as our students experienced woodlands, open country, hills and flatground for their school cross country.

It was with no doubt that the elixir for this this event was the parents, grandparents, great grandparents, whanau and friends that were on the sideline supporting our runners. How lucky are we!

A community preparing and empowering lifelong learners who are confident to achieve and make a difference.

Zero Waste Education

This week our students are involved in the Zero Waste Education (ZWE) programme delivered by Kathy Broadhead. Kathy has been educating our children on sustainable resource use. This award winning programme is offered to over 500 schools nationwide to students in years 1-8 each year. Different units each focussing on a specific solution to our waste problem have been delivered across the year groups: Is that Really Rubbish (Years 1 & 2); Reusing (Years 3-5) and Recycling (Years 6-8). Kathy has also been trialling a recycling unit aimed specifically at rural schools with Room 1 students.

We couldn't do it without you.

Small Schools' Cross Country

Small Schools' Cross Country takes place tomorrow, Thursday 7th June. Our Year 4 - 8 students will once again be running the course alongside other children in their year group from around the cluster. The day starts at 10:00am with the first race being at 10:30 am.

Thank you to all our Mums and Dads that returned their cross country food reply slips. Once again the Maimai Cafe is going to be stocked with delicious soups and baked goods to host our visitors. Thank you to Clove and Dave for supporting the day with a quad bike so that we ensure all our runners remain safe while out on the course.

North Cluster Cross Country

The school will be hosting North Cluster Cross Country on Tuesday 12th June. We once again seek your support in raising funds for the school by making soups or baked goods for the cafe. Attached to this newsletter is a slip to return to school. Thank you.

Fresh Moves

The rehearsal is on the 13th of June from 11:40 - 12.30pm at the Baycourt Community and Arts Centre. We will be requiring parent support to transport and supervise our children. Please check your calendar to see if you are available on this day.
