

ROAD RACE FIVE MINUS

I am learning to recall groupings with five to make numbers from 5-10.

ROAD RACE FIVE MINUS

*I am learning the groupings with five
to make numbers from 5 to 10*

Equipment: Counters
Cube numbered 10,9,8,7,6,5
Road Race Five Minus game board

How to Play: The aim is to use knowledge of groupings with five to subtract a number between 5 and 10 e.g. $7-5=2$ and fill in all the numbers on their Race Track the fastest.

1. Each player has a Road Race game board.
2. Each player to alternately toss the dice and take five off this number.
3. Put a counter on this number on your board. If this number is already covered, miss a turn.
4. The winner is the first person to cover all the numbers on the Race Track.

ROAD RACE FIVE MINUS

*Plus and minus groupings
with five*

$$\begin{array}{l} 10 - 5 = 5 \quad (5 + 5 = 10) \\ 9 - 5 = 4 \quad (4 + 5 = 9) \\ 8 - 5 = 3 \quad (3 + 5 = 8) \\ 7 - 5 = 2 \quad (2 + 5 = 7) \\ 6 - 5 = 1 \quad (1 + 5 = 6) \\ 5 - 5 = 0 \quad (0 + 5 = 5) \end{array}$$
